

*Congratulations to our 2022 Award winners!*

**Ryan Andrews, May '22  
Slippery Rock University**

Ryan Andrews is a recent graduate of Slippery Rock University. He lives in Pittsburgh, PA and is excited to enter the teaching profession as a middle/high school math teacher. Ryan knew he wanted to be a teacher from a young age, when he would beg his younger brothers to play school while he wrote on a whiteboard. From his training at Slippery Rock, Ryan grew a love for the curiosity and energy level of middle school students and enjoys helping students see the value in math in their own lives. When Ryan isn't in the classroom, he likes to walk with his two dogs or plan out his lifelong dream of being a contestant on the reality TV show *Big Brother*.
