2018 Educator Excellence Awardee

I completed my Bachelor's Degree in Early Childhood/Special Education as well as my Master's Degree in Special Education at Mercyhurst University. From 2016-2018, I worked as a graduate assistant teaching Pre-k in the Erie City Schools. I came to the PERC Job Fair in hopes of finding a teaching position for the 2018-2019 school year and had an extremely positive experience! I was able to partake in multiple interview opportunities at the Job Fair and came out of the experience with several contacts of schools that I was extremely interested in. I have accepted a job offer from a school district that I first talked to at PERC! I feel very honored to have been selected as one of the PERC Educator Excellence Award recipients.
