

2019 PERC Educator Excellence Awardee

Nicholas Banner

My name is Nicholas Banner and I am a recent graduate of Clarion University of Pennsylvania. I received a bachelor's degree in Secondary Mathematics Education and a bachelor's degree in Mathematics. I also plan to become certified to teach Physics before the 2019-2020 school year. I have volunteered as a religious education teacher for the past two years at my local church. I am very passionate about my community; I was even able to develop a scholarship through the Knights' of Columbus to aid the youth in my hometown. I also look forward to becoming a coach in the future.
