**California University of Pennsylvania**

I am originally from West Newton, PA and am a 2011 graduate of Yough High School. After high school I studied Communication Arts and Science at Penn State University, where I earned a Bachelor of Arts and Business minor. After graduating from Penn State, I worked with youth in a variety of capacities. As an Eagle Scout myself, I have served as an adult volunteer in the Boy Scouts of America for many years. I also worked with middle school and high school students as a church youth director. After graduating college, I began coaching high school wrestling and after one year took over as head coach and served as such for 5 years. In 2020, I enrolled at California University of Pennsylvania in the Master of Arts – Teaching program to earn certification in secondary social studies. In Fall 2022, I will begin my career as a middle school social studies teacher in Colorado Springs, CO.
