

2019 PERC Educator Excellence Awardee

Anna George

Hello! My name is Anna George; I am from Greensburg, Pennsylvania. I recently graduated from Edinboro University with a degree in Early Childhood Education and Special Education. I am currently interviewing for teaching positions all over the state, and my dream is to have my own classroom in one of my areas of study. I am passionate about teaching abroad, and bringing back what I have learned and incorporating it into my classroom. I have taught abroad in Ireland and Dominican Republic, and I hope to teach in Nicaragua next summer. I have a heart for being an advocate for my students. My personal philosophy is: Every child, everyday, every time, without hesitation, because they deserve it! I am honored to be a recipient of this scholarship, and look forward to saving for my trip abroad next year.
