Hello! My name is Kayla Kerila and I am from Pittsburgh, PA. I graduated from Duquesne University with a degree in Early Childhood Education and a minor in Spanish. I am currently working toward a master's degree in Special Education from Slippery Rock University. I am passionate about working with children in low-income areas and fully embrace diversity in the classroom! I am very excited to begin my teaching career at The Goddard School, where I will be teaching preschool this fall. I am honored to be a recipient of this scholarship, and look forward to using it toward my classroom as well as my ongoing education!
