

**Kellie Berg**  
**Clarion University of Pennsylvania**

**2018 Educator Excellence Awardee**

My name is Kellie and I am a Secondary English Education teacher. I subbed for two years in Elk County, PA and now reside in Pittsburgh, PA. I love my career field and look to educate and inspire students in this area! My goal is to become a professor and educate on a whole new level. I am appreciative of this award as it will help me get to the area I wish to teach in. Thank you, PERC!
