

# 2019 PERC Educator Excellence Awardee

**Amanda Lucas**

I am from Penn Run, Pennsylvania. I grew up knowing that I wanted to be an educator in order to make a difference in the world for students. When deciding on which college to attend, I finally landed on Waynesburg University. Waynesburg provided me with a wealth of knowledge and many many classroom experiences. While at Waynesburg, I was also involved in some after school programs and I volunteered at a summer camp for students with terminal illnesses. I was also a member of Kappa Delta Pi (International Honor Society in Education). I graduated from Waynesburg University in May of 2019 and I have just accepted a position as a third grade teacher. I am so excited to see where my career takes me.
