2018 Educator Excellence Awardee

My name is Taylor Brennan, and I am a recent graduate of California University of Pennsylvania. I received my dual bachelor's degree in early childhood and special education. I taught special education for two years in inner city Youngstown, Ohio, and I am about to begin a special education position at the Urban Academy of Greater Pittsburgh. In my free time, I enjoy volunteering, babysitting, and enjoying the city life. I plan on getting my masters degree in the near future.
